

ARE YOUR CHILDREN READY TO STEWARD YOUR LEGACY?

PRESENTED BY
LEGACY CAPITALS

This don't-miss webinar will provide the Leading Generation (aka Parents & Grandparents) with pearls of wisdom and practical ideas to ensure that a plan is in place to prepare their children for the eventual leadership and stewardship roles they may have regarding the family's resources. In addition, the webinar will share valuable insights to better understand what is on the mind and hearts of children from financially successful families.

As a result, participants will...

- Understand what might be on the hearts and minds of their children regarding the family's resources and their future roles.
- Gain practical ideas to implement a plan to help prepare their children for the opportunities and responsibilities of wealth.
- Be better prepared to proactively plan for their wealth transfer intentions.
